 - Review the changes to Medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including authorization requirements and costs.
 - Think about how much you will spend on premiums, deductibles, and cost sharing.

- Check to see if your primary care doctors, specialists, hospitals, and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2024* handbook.

- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

|---|------------------|------------------|
| Monthly premium (You must also continue to pay your Medicare Part B premium.) | \$35.90 | \$37.70 |

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs. Please see Section 6 regarding “Extra Help” from Medicare.

Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

| Cost | 2023 (this year) | 2024 (next year) |

Updated directories are also located on our website at www.FC2healthplan.com. You may also call Member Services for updated provider and/or pharmacy information or to ask us to mail you a directory, which we will mail within three business days.

There are changes to our network of providers for next year. **Please review the 2024 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2024 Pharmacy Directory to see which pharmacies are in our network.**

Section 1.5 – Changes to Part D Prescription Drug Coverage

Changes to Our “Drug List”

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our “Drug List” is provided electronically and includes many – but not all – of the drugs that we will cover next year. If you don’t see your drug on this list, it might still be covered. **You can get the complete “Drug List”** by calling Member Services (see the back cover) or visiting our website (www.FC2healthplan.com).

We made changes to our “Drug List,” which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the “Drug List” are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online “Drug List” to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your

options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

Starting in 2024, we may immediately remove a brand name drug on our “Drug List” if, at the same time, we replace it with a new generic version on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our “Drug List,” but immediately move it to a different cost-sharing tier or add new restrictions or both.

This means, for instance, if you are taking a brand name drug that is being replaced or moved to a higher cost-sharing tier, you will no longer always get notice of the change 30 days before we make it or get a month’s supply of your brand name drug at a network pharmacy. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive “Extra Help” and didn’t receive this insert with this packet, and you haven’t received this insert by September 30th, 2023, please call Member Services and ask for the LIS Rider.

There are four **drug payment stages**. The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

| Stage | 2023 (this year) | 2024 (next year) |
|--|---------------------------------|---------------------------------|
| <p>Stage 1: Yearly Deductible Stage</p> <p>During this stage, you pay the full cost of your Part D drugs until you have reached the yearly deductible. The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus and travel vaccines.</p> | <p>The deductible is \$505.</p> | <p>The deductible is \$545.</p> |

Changes to Your Cost Sharing in the Initial Coverage Stage

| Stage | 2023 (this year) | 2024 (next year) |
|--|---|---|
| <p>Stage 2: Initial Coverage Stage</p> <p>Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p> <p>Most adult Part D vaccines are covered at no cost to you.</p> | <p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>Tier 1: You pay 25% of the total cost.</p> | <p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>Tier 1: You pay 25% of the total cost. You pay \$35 per month supply of each covered insulin product on this tier.</p> |
| <p>Stage 2: Initial Coverage Stage (continued)</p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing. For information about the costs, look in Chapter 6, Section 5 of your <i>Evidence of Coverage</i>.</p> | <p>Once your total drug costs have reached \$4660, you will move to the next stage (the Coverage Gap Stage). <i>OR</i> you have paid \$7,400 out-of-pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p> | <p>Once your total drug costs have reached \$5030, you will move to the next stage (the Coverage Gap Stage). <i>OR</i> you have paid \$8,000 out-of-pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p> |

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 – If you want to stay in *Florida Complete Care-In The Community*

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our *Florida Complete Care-In The Community*.

Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- *OR--* You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

Step 2: Change your coverage

- **To change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from *Florida Complete Care-In The Community*.

- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from *Florida Complete Care-In The Community*.
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
 - – or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 3 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In *Florida*, the SHIP is called *Serving Health Insurance Needs of Elders (SHINE)*.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. *Serving Health Insurance Needs of Elders (SHINE)* counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call *Serving Health Insurance Needs of Elders (SHINE)* at the number listed in “Exhibit A” in the back of this booklet.

Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Florida ADAP Program and HIV/AIDS Section.
