

2024 Florida Complete Care Model of Care (MOC) Attestation of Completion of MOC Training

Under the Centers for Medicare and Medicaid Services (CMS) regulation for Manage Care Organizations and your contractual relationship with Florida Complete Care, there are specific compliance regulations that must be adhered to by you including this Special Needs Model of Care training. Completion of the SNP Training Attestation confirms training was completed within 90 days of contracting with the health plan and annually thereafter.

CMS requires Florida Complete Care to maintain a record that you completed the MOC Training:
