

Home Health Care Services Prior Authorization Request Form

FLORIDA COMMUNITY CARE (FCC) and FLORIDA COMPLETE CARE (FC2) (the Plans) require an authorization for all Home Health Care Services for Medicaid and Medicare Advantage members. The process is meant to maximize efficiencies and ensure that our members' and your patients' home skilled service needs are met in the timeliest manner possible.

The following is the format by which the Plans will receive requests for all Home Health Care Service requests. Please note that **all fields are required** to be filled in. Make sure that there are no blank field(s) before submitting this document.

You can attach additional pages with this document in order to respond to this document properly and specifically.

Home Health Agency Name

Skilled Being Requested	HCPSCS/CPT Codes Requested and Skilled Need Justification

Type of Request: **Standard**

Expedited: By checking this request, I attest that applying the standard prior authorization process of 7-day time frame will seriously jeopardize the life or health status of the patient or the patient's ability to regain maximum function. The specific details as to how this patient would be in jeopardy or unable to regain maximum function must be documented as additional documentation to this form, signed and dated. That documentation must supports the attestation that the patient's need meets the requirement for and expedited review. Upon receipt, the request and accompanying documentation will be reviewed by a plan medical director; and a determination will be made as to the acceptance or rejection for an expedited review. A verbal notification will be made that the expedited request as not granted because the request did not meet the requirement or that there was no proof documentation submitted/received. At that time, the request will be transitioned to a STANDARD review.

Please note that from time to time, the Plans can update, add, delete, change, or amend this prior authorization form as part of a Quality Improvement Process or as contractually obligated under its contract with the Agency for Health Care Administration or The Centers for Medicare and Medicaid. Proper notice will be given prior to any such action when contractually obligated to do so.
