D. Background Information about Florida Complete Care's Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** Florida Complete Care and have agreed to provide drugs to you as a member of the plan.

Please contact Florida Complete Care Member Services at *1-833-FC2-PLAN (1-833-322-7526), TTY users should call 711,* or your Care Coordinator/Case Manager for assistance.

We also list pharmacies that are in our network but are outside of the service area in which you live. Florida Complete Care's service area includes the counties listed in Section A. Disclaimers. You may also fill your prescriptions at these pharmacies. Please contact Florida Complete Care at 1-833-FC2-PLAN (1-833-322-7526), TTY users should call 711, from 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30, for additional information.

Florida Complete Care members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the Florida Complete Care *Evidence of Coverage* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory

For up-to-date information about Florida Complete Care network pharmacies in your area, please visit our website at FC2Healthplan.com or call Member Services at 1-833-FC2-PLAN (1-833-322-7526), TTY users should call 711, from 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. For more information, visit FC2Healthplan.com.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Evidence of Coverage and Florida Complete Care's *List of Covered Drugs*. The List of Covered Drugs can be found on the Florida Complete Care website at fc2healthplan.com/prescription-drug-coverage/. To access this document, select the Comprehensive Formulary link within the Prescription Drug Benefit drop down.

D1. Types of pharmacies in Florida Complete Care's network

Along with retail pharmacies, our plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.

- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies.

You aren’t required to continue using the same pharmacy to fill your prescriptions.

E. Florida Complete Care’s List of Network Pharmacies

This part of the Directory includes a list of Florida Complete Care’s network pharmacies that **participate in and accept** Florida Complete Care. Pharmacies are listed in alphabetical order by last name. You can also find the pharmacy’s name and the page where the pharmacy’s additional contact information is in the Index at the end of the Directory.
